

BUY LOCAL 1ST

Dear Chamber Member,

Please find enclosed your 2011 Blowing Rock Chamber of Commerce membership card.

This card is for use in our "Member to Member Discount Program." As part of our "Buy Blowing Rock First" initiative, these offers should give a generous incentive to all of our card-carrying members to shop locally before going off the mountain.

The generous discounts provided by our members are for the explicit use of the card bearing members of the Blowing Rock Chamber of Commerce. The card is issued to the owner or contact person on the membership account and as such should be limited to use by the owner, principal, or manager of the business. Some offers include employees and family members. These will be noted on the website.

Please read the general guidelines below for card use and then put your card into action!

- Discount is for Blowing Rock Chamber Members except where noted.
- Discount is for regularly priced merchandise only.
- Discount is not valid with any other offer, coupon, or discount.
- Additional merchandise exclusions may apply. See store for details.
- Check with manager or owner for any and all exclusions prior to purchase.
- Call prior to appointment for complete disclosure of offer for service business offers.

Our member's businesses offer a wide variety of services and merchandise. If it is not available here in Blowing Rock, then we should try to keep our business in Watauga County. Doing so helps keep taxes lower and keeps our local economy thriving.

Thanks,
Charles Hardin
